Denali Safety Council membership dues, contributions, and volunteer work in 2005 enabled us to:

- Sponsor four OSHA safety training classes in Anchorage.
- Maintain a permanent classroom for safety training and DSC meetings.
- Participate with Alaska Injury Prevention Center to prepare an injury prevention curriculum for rural Alaska schools.
- Sponsor intervention and education for children who are problem fire-setters.
- Maintain a website to provide information about DSC, links to other safety sites, and a library of safety materials for anyone to download and use.

Please help us carry on this work in 2006 by returning your membership dues with this invoice.
